CAMPUS-BASED UNIVERSITIES

Laureate's university network includes 19 accredited, campus-based institutions in Europe, Latin America and Asia which address the education needs of traditional, full-time students as well as working professionals seeking to enhance their professional development and skills. Together, our universities offer a range of undergraduate and graduate degree programs in a variety of career-oriented disciplines including business, health sciences, engineering, information technology, education, and other fields.

For students interested in a truly global, inter-cultural education, many of the institutions in Laureate's network manage and/or participate in one or more study abroad and exchange programs.
